

PAVE THE WAY

Engraved Paver Fundraiser

The Scandinavian Community Centre, partnering with the member houses, is pleased to offer a programme that allows us to recognize the significant people in our lives and our communities. The funds generated will be committed to upgrading & maintaining the Centre.

Our initial goal is to raise the \$50,000 required to replace the main entry ramp but we have a number of other projects that need attention.

Support your Centre, support your community!

Leave your mark for years to come, and be a part of our history by purchasing a commemorative paver today. Your custom paver can be engraved with your family's name, a motto, a wish for the centre, or you can choose to honour a loved one.

8"X4" option

Build Your Legacy

8"X8" option

If the Scandinavian Community Centre has impacted your life, we would love for you to leave your mark and personalized tribute on a beautifully created brick paver, to be laid between the stage and the small fountain. Pavers will be laid twice a year (spring & fall) by Centre volunteers.

Purchases are eligible for a tax receipt.
